Dear Sir:

Pursuant to the Notification of Defective Response mailed on 11 June 2007, regarding the Oath and Declaration, we are submitting an updated Oath and Declaration identifying the International application number and international filing date.

This Oath and Declaration has signature for all four inventors and is believed to be in compliance with the US Patent Law. The undersigned has made numerous unsuccessful attempts to reach Ms. Donna Greene to obtain clarification of the outstanding issues raised in the Notification.

Nevertheless, Applicant believes that this submission completes the filing of all necessary papers and fees and responds fully to the Notification of 11 June 2007.
